

PRECISION MANUFACTURING FOR THE  
MEDICAL INDUSTRY

## SPECIALIZING IN ORTHOPEDIC DEVICES

Lenkbar LLC is the reliable source for high precision, close tolerance machining. We use state-of-the-art equipment in conjunction with conventional machining to manufacture precise medical devices to .0001 tolerances. All equipment and machines used are fully verified or validated and adhere to the stringent requirements set forth by ISO 13485, FDA, OSHA, and EPA. We work with our customers to design and manufacture the highest quality devices on the market.

# OUR MISSION AT LENKBAR...

is to manufacture revolutionary devices and implants for  
OEMs which will simplify surgery for physicians and  
improve patient outcomes.

**QUALITY  
PRECISION  
DELIVERY  
INNOVATION**

## QUALITY POLICY

Lenkbar is committed to designing, developing,  
manufacturing and supplying customers, physicians,  
and surgical centers with innovative medical devices  
and implants that exceed expectations based on the  
quality management system, timely delivery,  
exceptional quality and patient safety.

Design & Manufacturing Certified

21 CFR Part 820

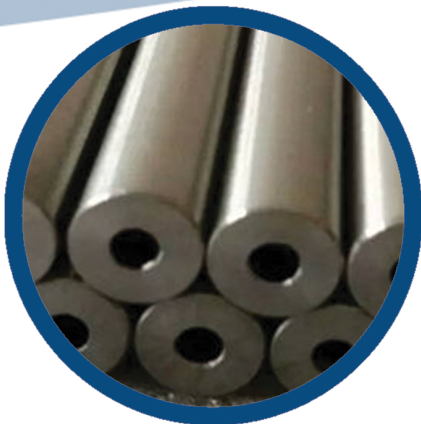

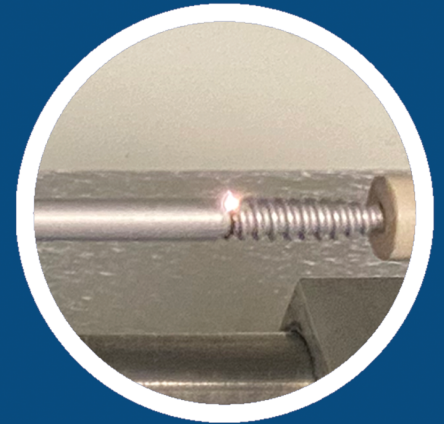

## CAPABILITIES

- 5 Axis 3D Laser Cutting
- Citizen Screw Machines
- Manual Lathes
- Rollomatic Grinders
- Grinding – Manual
- Prototype to Production
- Gundrilling
- Wire EDM
- Sinker EDM
- 3-4-5 Axis Milling
- Dock to Stock

## VALUE-ADDED SERVICES

- Laser Welding
- Laser Engraving
- Passivation (Citric & Nitric)
- Electropolishing
- Controlled Atmosphere/Clean Room
- Buffing
- Mirrored Inspection Methods
- Heat Treating and Hardness Testing
- Acid Etching
- Sand Blasting
- Epoxy Painting
- Labeling
- Packaging

## MATERIALS

- Stainless Steel
- Titanium
- Aluminum
- Cannulated/Uncannulated Material
- Nitinol
- PEEK
- Other Plastics
